Customs value - at each start

New from 2023 is that the Norwegian customs must have the value of all horses on the customs declarations. Therefore, all foreigners must submit this schedule before every start in Norway: [Customs value horse.pdf](#)

It is sent to: post@travsport.no.

You can find the declaration ID for your horse by opening the attached overview.

If your name is NOT there - contact us: post@travsport.no.
